Dear Parent/Carer,

**After School Club: Cooking**

Starting from the 17<sup>th</sup> September we will be holding an afterschool club doing cooking. The children will get to experience cooking a range of different dishes to enhance basic life skills. These sessions will last until 4.15pm. You will need to collect your child.

The overall cost to attend cooking club will be £10 per term, this will cover the cost of buying the ingredients for the children to cook with, please send the signed permission slip and the additional £10 if you would like your child to attend. We do need a signed permission as we are keeping your child after school.

Thank you

Miss Berryman
