Dear parents and carers

**Re: Speech and Language Therapy Service at the Pines**

Due to the current Coronavirus situation and recent announcement of school closures we are having to work and think a little differently. We feel it is important to continue to support our children's development and we know that parents can play a vital part in this process. Therefore, for the next 2 weeks our staff will be busy preparing advice and activity ideas for parents so that we can support you at home should your children need to be quarantined and/or unable to attend school. This will also give us the time required to plan further support if further, more drastic action is taken for our youngsters. We will endeavour to keep you fully informed as how we are responding to the changing advice.

Should you want or require advice, support and activities, please email us (see below) with the name of your child and the school and we will be in touch as soon as possible. Please be aware we have high numbers on caseloads, and we may not be able to respond immediately. Please email us at:

[parents@wmspeechtherapy.co.uk](mailto:parents@wmspeechtherapy.co.uk)

We hope that you and your families stay safe and well. We look forward to hearing from you.

Kind regards

The Speech and Language Therapy Team at the Pines
