Our

Offer

Our lunchtime clubs offer activities outside the curriculum for students to develop skills, broaden their experiences in their personal areas of interest and socialise with friends whilst having fun.

Our lunchtime club offering starts in Key Stage 1 and runs through into Key Stage 4.

Each term the students get to choose which club(s) they would like to attend and commit to this for the term.

Pupil Voice is used at the end of each term to determine which clubs will run the following term.

Alongside our Lunchtime Clubs we also offer outdoor games for our children who want to remain in the playground. We also have a variety of resources such as scooters, bikes and balls, outdoor gym equipment, trim trail and reading sheds for the children to enjoy during their outdoor playground time.

Primary

Forest

School

Club

Focus: Forest School lunch time club gives pupils chance to learn through child led play in a natural environment. Pupils are able to access the Forest during their lunch break using the various resources within the forest including the Hammocks, Mud Kitchen, Digging pit and swings.

Colouring and reading

Club

Focus: Colouring and reading club has combined two things our pupils enjoy in one place. Colouring and reading club is pupil led to allow pupils to access the colouring and books they would like to use.

# Sports Club

Focus: Pupils will learn the rules of different sports and will have a try at different types of sports. Pupils will learn how to work as a team and how to be persistent and adaptive.

# iPad

# Club

Focus: iPad club offers the opportunity for pupils to build their skills. By using an iPad, pupils can learn typing, multi-touch navigation, problem-solving (with puzzles and games) and many other skills. It is fun and engaging and a firm favourite of our pupils.

# Movie

# Club

Focus: In Movie Club we start off the term by voting for the films we would like to watch.

The most popular film will be the film we watch together.

# Sensory Club

Focus: Sensory room club offers a therapeutic space for pupils as an alternative to the busyness of the playground. Choices of equipment are used to encourage pupils to use a variety of physical, cognitive and communication skills. The calm environment of the sensory room provides pupils with a safe space to encourage them to express themselves and their sensory differences.

# Disco

# Club

Focus: Disco clubs offers the opportunity for our pupils to dance to their favourite songs. In Disco club we learn turn taking and good waiting. Great fun is had by all whilst moving to different styles of music with our friends.

# Lego

# Club

Focus: Lego club is an opportunity for our Lego enthusiasts to get together and build. Lego club encourages us to share and communicate whilst doing something we love.

# Circuit

# Club

Focus: Circuit club is an opportunity for our pupils to access physical activity through a well planned sensory circuit. In circuit club we learn to share resources and space.

Timetable

rock stars

Club

Focus: Times Tables Rock Stars club is an opportunity for our pupils who enjoy maths to play TTRS on the computers. Times Tables

Rock Stars is a programme that helps children learn and practise their times tables with games, rewards and leaderboards.

# Singing

# Club

Focus: Singing club is a club run by our artist facilitator from the Hippodrome. Our pupils have the opportunity to work with an external person singing their favourite songs.

Secondary

# Uno

# Club

Focus: Pupils will learn the rules of Uno and how to play. Uno is a popular game at The Pines. Pupil voice indicated that this would be a popular club amongst our secondary pupils.

# Drama

# Club

Focus: Drama club offers our pupils the opportunity to practise their drama skills by playing games, reading and performing playscripts and building their confidence.

BIRMINGHAM  
HIPPODROME

# Hippodrome

# Club

Focus: Hippodrome club is a drama club run by our artist facilitator from the Hippodrome. Our pupils have the opportunity to work with an external person creating drama and building confidence.

# Art and Craft Club

Focus: Art and craft club allows our pupils to get creative. Pupils can choose from a variety of Art and craft activities such as colouring, painting, collaging and making.

Art and craft club is pupil led to allow pupils to be as creative as they want.

# Lego

# Club

Focus: Lego club is an opportunity for our Lego enthusiasts to get together and build. Lego club encourages us to share and communicate whilst doing something we love.

# iPad

# Club

Focus: iPad club offers the opportunity for pupils to build their skills. By using an iPad, pupils can learn typing, multi-touch navigation, problem-solving (with puzzles and games) and many other skills. It is fun and engaging and a firm favourite of our pupils.

Forest

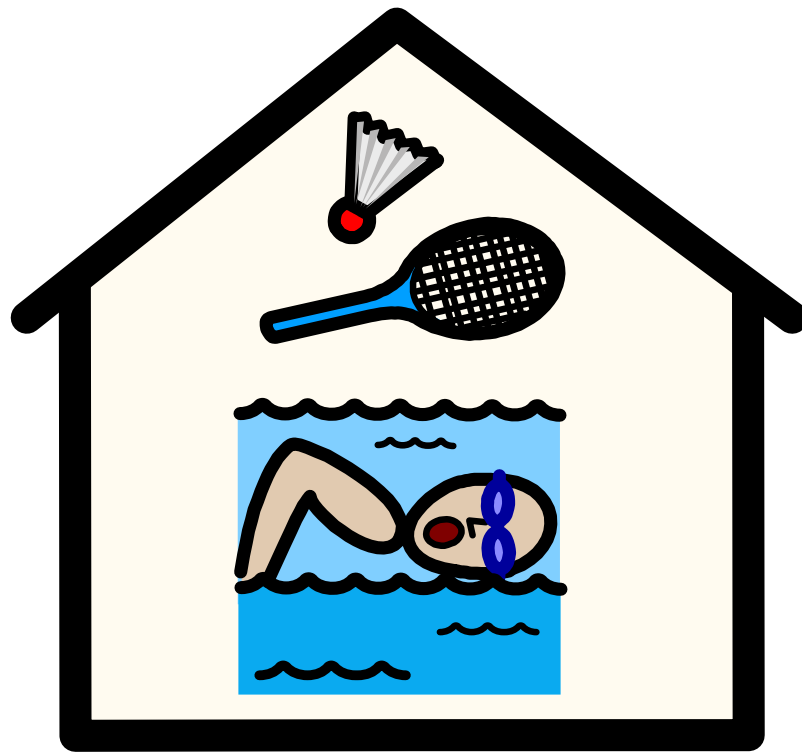

School

Club

Focus: Forest School lunch time club gives pupils chance to learn through child led play in a natural environment. Pupils are able to access the Forest during their lunch break using the various resources within the forest including the Hammocks, Mud Kitchen, Digging pit and swings.

# Sports Club

# Movie

# Club

Focus: In Cinema Club we start off the term by voting for the films we would like to watch. The most popular film will be the film we watch together.

# Computing Club

Focus: In computing club pupils are given the opportunity to use the computers in our ICT Suite to play games, create documents or watch videos. This allows our pupils to extend their computer skills in a fun and exciting way.

Sensory

Exploration

Club

Focus: Sensory exploration club offers a therapeutic space for pupils as an alternative to the busyness of the playground. Choices of sensory activities are used to encourage pupils to use a variety of physical, cognitive and communication skills. The calm environment of sensory exploration provides pupils with a safe space to encourage them to express themselves and their sensory differences.
